

STATEMENT OF PURPOSE

RS29199 / H0490

This legislation would add a misdemeanor penalty to the preemption of firearms law in I.C.18-3302J. Currently there is no legal penalty if a political subdivision creates an ordinance to regulate the sale, acquisition, transfer, ownership, possession, transportation, carrying or storage of firearms or any component of firearms.

In addition, this legislation adds a misdemeanor penalty for enforcing any federal law that violates the preemption of firearms laws provision.

FISCAL NOTE

There is no anticipated fiscal impact to the general fund or local governments by adding this legal penalty.
